Heartland Christian College

Work Study Loan Application

CNS International Ministries, Inc. has established a Work Study Loan Program to benefit students enrolled in Heartland Christian College. Any student who has been accepted into the college and is a full time Associate in Biblical Studies seeking student is eligible to apply for the loan program.

Through this program, CNS Ministries will pay one half of a student's tuition each year. In return, the student will serve on staff at Heartland following graduation; one year of service for each year of loan used. The graduate will also receive full wages while working on staff at Heartland. In the event the student chooses not to work at Heartland following graduation, the loan money will be repaid per the promissory note the student will sign.

The application deadline for each school year is October 31. Please submit your application to: Heartland Christian College, 500 New Creation Road, Newark, MO 63458
